

KNOWLEDGE

Brings comfort and improvement when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principle embodied in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectively cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in \$6 and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

ANN ARBOR IS WEAK

The Stock Broke Over Four Points Yesterday

ON ACCOUNT OF A RECEIVER

Whisky Was Very Shaky and the General Market Chased With No Losses for Summation.

New York, April 28.—Money on call has been easy, ranging from 6 to 3 per cent, last low at 3½ per cent and closing off at 3 per cent.

Post office rates, 1,450,000.

Government bonds steady.

The stock market opened active and buoyant on the result of yesterday's conference between Secretary Carlisle and bank officials in this city, the favorable reception according the Reading plan of reorganizing and liberal purchases of securities for London account. As soon as the foreign buying orders were completed the traders renewed their old tactics of hammering stocks, which happened to be without effective support. They were aided by the increased state of sterility observed in the inherent weakness of Toledo, Ann Arbor, Distillers and a few others. The first named broke 4½ to 13½, the developments in regard to the affairs of Vice President Ashley and his associates weighing heavily on the market.

A receiver had been appointed at Toledo yesterday also tended to induce further selling. The general market enjoyed a rally after 1 o'clock, but weakness again set in after delivery hour and the market was down two points at close of session. The decline was largely professional throughout the day and were 350,649 shares, of which 30,179 were unlisted.
